season, and may be assigned to duty in VOTERS MUST REGISTER. GIRLS WANTED.

THE URBANNA MANUFACTURING COMPANY offers to the young ladies and girls of the surrounding counties the opportunity of securing pleasant and profitable positions in its Shirt Manufacturing Department, and would be pleased to receive the names of all desirous of availing themselves of such opportunity. Full information will be cheerfully furnished, and inquiries will be promptly answered.

Casually we mention a few facts here: The Company is now having erected, upon one of the most beautiful sites along the Rappahannock River, a handsome two-story brick building, capable of accommodating one-hundred-and-fifty machines. These machines are all operated by motor power, doing away with all pedal work incident to a family sewing machine. The machine is started and storged by account of the started and storged by account of the machine is started. and stopped by a simple touch of a lever, and the operator has no work to do other than to guide the mater ial. Some of the machines are high speed ones, making as many as 3,500 strokes a minute, and affording an operator of average nimbleness with her fingers a chance of doing an immense number of pieces in a day Each operator makes only one certain piece of a garment, and all work is paid for according to the number of pieces made, affording an active girl the chance of making a larger salary than would ordinarily be paid for a day's work. From five to ten years, turnover condollars a week should be a fair averyou two for 25 cts.

age earning; some will be able to make even more. The Company, recognizing the fact that at first, and until a more perfect fa-miliarity with the machines is acquired, some girls will be unable to learn as rapidly as others, will, for three months, guarantee that no entire week's earning shall be less than two dollars, and in such cases where it does so happen will pay the opertor that amount.

modern conveniences will be found in the building, and nothing will be left undone that may be conducive to the health, comfort and pleasure of every lady employed. to their homes to spend their Sun-days, the factory will close early on Saturdays and open later than usual

Messrs. Benedict Bros., of Baltimore will send down several of their best lady operators as instructors, and

those who are so fortunate as to re ceive the benefit of several weeks' instruction under these capable and experienced ladies will be far better Enterprise Store, fitted to earn more than those who come in later. Another urgent reason for commencing as soon as the factory begins work, which will be about November 1st, is the fact that some of the machines have a

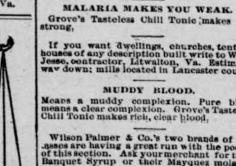

venient cottages upon its property, to be rented to the families of the operatives. Each cottage will be expected to furnish not less than two operatives to the factory, either from the family of the tenant, or as Bentley will assist the remainder of the boarders. A congenial party of four or five girls could rent a cottage to gether, and thus render their expense much less.

"I was treated for three years by good doctors," writes W. A. Greer, McConnellsville, O., "for Piles, and Fistula, but, when all failed, Bucklen's Arnica Salve cured me

URBANNA, VA. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hail's Catarrh Cure is taken intert. Ally, acting directly upon the blood and mue. us surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Fundred pollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. Chensey & Co., Toledo. O. Sold by Druggists, 75c.
